

Briefing: Update on Data Transparency Guidelines
Tuesday, March 20, 2018
10:45 – 11:30am – Administrator's Office

Update

Following our last briefing, staff made edits to the draft memo and transitioned the document into a Federal Register notice for public comment. The draft notice was submitted to OMB for review last Wednesday. Staff received OMB's initial feedback on a call yesterday afternoon. An updated version, which incorporates some edits from the OMB call, is attached for your review.
